

July 2007

The best patient outcomes are at Texas Transplant Institute

The Kidney Transplant Program on the campus of Methodist Specialty and Transplant Hospital* is the most active program among other transplant centers in Texas reporting over 50 kidney transplants performed in 2006. We performed a total of 157 deceased donor and live donor transplants achieving the best one-year graft and patient survival rate.

* A Methodist Hospital Facility

Kidney Transplant Program Maintaining the Gold Standard in Texas Experience Counts

Texas Transplant Centers reporting over 50 Kidney Transplants in 2006

Kidney Transplant Program	Location	Deceased Donor Transplants	Living Donor Transplants	Total Transplants in 2006	One-year Graft Survival Rate *	One-year Patient Survival Rate *
Methodist Specialty and Transplant Hospital	San Antonio	63	90	153	94.13%	98.50%
University Hospital	San Antonio	56	18	74	90.08%	93.51%
Christus Santa Rosa Medical Center	San Antonio	40	15	55	92.08%	96.19%
Memorial Hermann Hospital	Houston	62	19	81	90.74%	95.99%
Baylor University Medical Center	Dallas	59	48	107	93.82%	97.01%

* For transplant patients from 1/01/2004 - 6/30/2006
