Heart Failure and Transplant Clinic relocates to Methodist Plaza

The Heart Failure and Transplant Clinic has relocated to better serve the needs of our patients. We moved from the Texas Transplant Institute building at Methodist Specialty and Transplant Hospital to Methodist Plaza, 4499 Medical Drive, Suite 166. The new location will provide a larger space and is much closer to Methodist Hospital and Methodist Heart Hospital where Methodist Healthcare has consolidated most of its heart services.

You will not be expected to pay for parking when visiting the clinic. Clinic staff will validate your parking lot ticket to cover your parking fee while visiting the clinic. However, we encourage you to become a member of the Woman Plus or 55PLUS to receive free parking while visiting Methodist Hospital. You can join these programs free of charge by asking the clinic staff for a brochure or by visiting the Methodist Healthcare web site at www.sahealth.com.

Please call 210-575-8485 between 8:00 am and 4:30 pm, Monday through Friday, should you have any questions or concerns.
